Exploring Length

Get together your own collection of worms and see if you can cut them to different lengths. Talk about the lengths and even measure with a ruler or tape measure.

Talking Together

Of course we are not going to cut real worms!

Grown ups cook some spaghetti until almost cooked and then rinse under cold water. You can add food colouring to make them any colour you want if you want fancy worms!

You now have ready made worms to cut.

(You can use string, dough or wool if you don't have spaghetti.)

Can you order them in length?

What is your longest worm as long as in your house?

What is your shortest worm as long as?
