

Monday 1<sup>st</sup> June 2020

Activity 1

### Talking Together

Spoiler alert... we will not use real worms!

You will need:

Paper, paint in different colours and some string/wool.

Fold your paper in half to see the middle line.

Open it back up.

Cut your lengths of string to different lengths - making sure there is enough for you to keep hold of it when inbetween the paper.

Take a piece of string, dunk it in the paint leaving an end free of paint to hold on to.

### Talking Together

Superworm is  
super-long. Superworm is  
super-strong. Watch him  
wiggle see him squirm.  
Hip Hip Horray for  
Superworm!

Next lay the paint covered string on one side of the folded paper in any pattern, leaving the clean end of the string out.

Then fold the paper back together and put your hand on the paper so you can feel the string through the paper and begin pulling the string out moving it around the edges of the paper.

(Remember to join in with the Superworm chant! )

It's really fun to have more than one string with different colours. Pull the strings out and open up the paper and ta da! A super creation!

We look forward to seeing some of your finished pictures. You can send photos to [oxclosereception@durhamlearning.net](mailto:oxclosereception@durhamlearning.net)
