

Science and the Wider Curriculum - Planning and Ideas

Week Commencing: 15th June 2020

Year Groups: Reception

	Monday	Tuesday	Wednesday	Thursday	Friday
Activity	<p>Talk about skipping.</p> <p>Can you skip with 2 feet together/alternative feet?</p> <p>Keep practising</p> <p>Challenge: How many jumps can you do?</p> <p>You could see if they can beat their distance each time.</p>	<p>Draw a picture of a lighthouse. Choose 2 colours and decorate it with a repeating, stripy patterns, like Mr Gringling's lighthouse.</p> <p>Find out about Lighthouses. Why are they important?</p> <p>How have they changed over the years?</p> <p>You could use this PowerPoint to help</p> <p>https://www.twinkl.co.uk/resource/t-tp-6412-all-about-lighthouses-powerpoint</p>	<p>Talk about different weather we can have.</p> <p>If Mr Gringling was going to the Lighthouse in the rain what would he need to wear?</p> <p>Draw a picture of him and label the different clothes.</p>	<p>Can you make a Lighthouse out of junk materials in your house?</p> <p>See below for some ideas</p>	<p>Talk about what you might hear at the seaside: the noise of the sea/people laughing/seagulls etc</p> <p>Use musical instruments or things around the house to represent the different things you can hear at the seaside.</p> <p>E.g. you could use a scraper for the noise of the seagulls, rustle paper for the sound of the sea,</p>

You can email pictures or videos to us to see what you have been up to:
