There are no specific tasks for specific days this week for English and we have organised things a little differently as we would like to celebrate the end of the year with your children.

English Planning and Ideas

Week commencing: 6th July 2020

Year Group: Reception

When children have completed this week's activities, we would love it if you could email them to us at oxclosereception@durhamlearning.net. Staff will then put all the children's work together in a Powerpoint and upload it onto the website for you to view with your child. We hope that this is something the children will enjoy both taking part in and being able to see messages from some of their classmates who they haven't seen for many weeks now. Don't forget to write your name on the bottom of any piece of work so that everyone knows it is yours.

Activity 1

Draw a picture of yourself with your friends and label them. You could write "My best friend at Ox Close is/My best friends at Ox Close are... and complete with their names. An adult could write the beginning of the sentence and you could complete with the names. As an extra challenge, you could write a couple of sentences about your best friends and what you like to do together.

Activity 2

Think about all of the things you have done in reception this year. Draw a picture of your favourite thing you have enjoyed about school this year and complete the sentence.

"My favourite thing about Reception class is..."

If necessary, you could scribe for your child.

Additional activities

These activities can be completed throughout the week if you would like. They will not be used in the Powerpoint but we would still love to see them.

English Planning and Ideas

Week commencing: 6th July 2020

Year Group: Reception

- Draw a picture of yourself with your name and write a few sentences about yourself to tell your new teacher about you. Include information about what you like to do and what you are good at.
- Draw a welcome poster for the new reception children that we can put up in the classroom.

Any letters or posters emailed to use will be printed and handed to your next teacher or put up in the reception class.
