

Dedicated to Excellence

	<p><u>Cosmic Kids Yoga</u></p> <p>Below is a link to another episode of Cosmic Kids Yoga. This episode is called "Squish the Fish"</p> <p>https://www.youtube.com/watch?v=LhYtcadR9nw</p> <p>Feel free to enjoy this as many times as you would like this week.</p>	<p><u>Final week project</u></p> <p>We thought the final week would be a nice time for the children to unleash their creativity.</p> <p><i>"Beside the seaside"</i></p> <p>As we have been looking at sea-based books in our learning, we thought a sea/seaside/ocean based project would be nice. The title is <i>"Beside the seaside"</i>. You can take this in whatever direction you and your child wish. You could base it around one of the following suggestions or one of your own: pirates; ocean animals; boats; oceans of the world; a specific seaside resort (UK or international).</p> <p>As part of this, you could conduct some research; make a collage using pictures/photographs and even objects you have found; draw pictures; write about it; make models; bake; paint.....whatever you wish.</p> <p>We would love to see some of your creative ideas at our Ox Close reception e-mail address.</p>
