## MY MEMORIES

- When I joined year 5 I was put in Mrs. Shepherd's class where she would call me the geography king. Around December we were informed that a new teacher was coming to teach us. When I got told this I felt alright but at the same time worried that I would get split from my friends. On about the last day of school for Christmas I was told that I was with all my friends I was very happy to be with them.
- Miss Lanagan started in January and we all had a good time in her class. I really liked the assembly we did it was good fun.

Good luck to everyone in your next class, can't wait to see you all again

One of my favourite memories from year 5 was when I got picked to play for the school at Spennymoor Football ground, I loved this so much, it was like a dream. Unfortunately, we did not qualify to the next stage, but I still loved every minute. I also seen some of my other friends from other schools.

My other favourite memories are –

Playing hide and seek with James and Reece.

Playing football in the muga.

I really enjoyed my visits to Whitworth Park School.

The school pantomimes.

My Christmas play.

Joining Miss Todd's class with James made me happy, but I was sad as Reece went into a different class.

Good luck in  
Year 6.  
I miss you all.

## Year five greatest memories.

At the beginning of year five, I was extremely excited, but also nervous for what laid ahead. But just a few months in, I discovered it was the greatest year in primary school. I felt older, and star of the week tilted to me a few times.

### Greatest Christmas play EVER!!

When Christmas rolled around, I found out we did plays, not carols. We all had a go of being scarymonger, the worst villain ever, and Jane Blonde, the most heroic hero ever. I was jumping with joy when I found out I was scarymonger! I had a whopping 51 lines to learn, and my very own solo!! I had a scar made out of makeup on my face, and two henchmen, Leah, and Carson. They both did great job, just like everyone else! I was kind of upset when it was over, and I wanted to do it again!

### Class play delayed!

We were auditioning for our class play, when this awful virus came around and delayed us, I had the part of the news reporter, and Hayden as the Anchor-man (the second reporter).

As I conclude this, I would like you all to stay home and stay safe! 😊

Good luck with year six everyone, I've really appreciated your help and support all the way through year five!

Joe.

My top three memories are when..

- Amelia fell down the stairs on the first day of year 5 because it was really funny and we couldn't stop laughing at it! 😄
- Singing at the care homes because it was really nice to see their happy faces when we walked in and even some of them remembered us! Which was very happy and made my day! 😊
- Breaking my finger wasn't so funny at the time but looking back at it now it was very funny! 😂 it did hurt but at least it doesn't now!

One of my other favourite memory is playing for the school football team we played 6 tournaments and won most of them. The Whitworth tournament we played tennis at Whitworth with bootbats! In year 5 I can remember when we practised our class assembly about Romeo and Juliet which was written by William Shakespeare. My part was Tybalt who was their Kingsman, Juliet's older cousin and a skilled swordsman who was always looking for a fight. He was the sworn enemy of Romeo. My rival is Benvolio who is calm but Tybalt likes to fight. Mercutio is killed by Tybalt. Tybalt hates Benvolio because he is a Capulet. It is really sad that we did not get chance to perform this as I really enjoyed it.

## Memories of Year 5

My favourite memories of year 5 were the Halloween and Valentines Discos. The Halloween Disco was on 23<sup>rd</sup> October, and I dressed up as Jason from Friday 13<sup>th</sup> films. We had hotdogs to eat. The Valentines Disco was on 12<sup>th</sup> February, and it was like a masquerade ball. We all wore smart clothes, but with decorated masks as well. I didn't dance much but I sang "Emperor's New Clothes" on the karaoke.
