

## **Wider Curriculum Planning**

**Week Commencing: 07. 12. 2020**

Dear Parents,

We are delivering some of our wider curriculum subjects as 'blocks' of lessons, which means that some weeks we will deliver just RE lessons and no Geography or Science lessons.

The Wider Curriculum plans are uploaded on the website, along with the relevant resources, and the information below tells you which lessons we will be completing this week,

**RE: Lessons 1 - 3**

**PE: Cosmic Yoga – see plan on website**

**Art: Lesson 6**
