

**Science and the Wider Curriculum - Planning and Ideas**

**Week Commencing: Monday 7<sup>th</sup> December 2020**

**Year Groups: Years 3 and 4**

	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Area of Learning</b>	<b>Subject: RE</b> <b>L.C Can you make an advent wreath?</b>	<b>Subject: DT</b> <b>LC: Can you make your Christmas smoothie?</b>	<b>Subject: Geography</b> <b>L.C Can you describe where you live?</b>	<b>Subject: PE</b>	<b>Subject: PSHCE</b>
<b>Activity</b>	<p>So now we are another week closer to Christmas. Sunday 29<sup>th</sup> November was the first Sunday of Advent.</p> <p>Today we would like you to have a look at the Advent Wreath PowerPoint uploaded on to the Virtual classroom. We have also uploaded different kinds of advent wreaths you could make.</p> <p>We would love to see any Advent Wreaths you make – why not take a photo and email it in to school.</p>	<p>Now you have designed your Christmas themed smoothie, you can go on to make your smoothie!</p> <p>Follow the instructions from before as to how to make your smoothie.</p> <p>Your next job is to taste-test your smoothie on someone at home. You will need to tell them the ingredients in case they have any allergies.</p> <p>Ask your taste-tester to leave you a critique on your smoothie. They could even imagine they are on MasterChef!</p> <p><b>ENJOY!</b></p>	<p>Last week we wrote letters to Miss Smith’s children in Thailand. We told them how fantastic the town of Spennymoor is!</p> <p>Today, we would like you to make a poster to advertise Spennymoor in a travel agent.</p> <p>You could give your poster a title like ... <b>COME TO SPENNYMOOR!!</b> and go on to explain all of the fantastic things we have here. You can draw pictures, print pictures off if you can, or even make your poster on a computer!</p>	<p>Today will be the final lesson on our Circuit training. You will be putting all the things we have practised over the last few lessons into one circuit routine.</p> <p>You will test your balance, control, agility and coordination whilst having fun and focusing on improving your score each time.</p> <p><b>Good Luck!</b></p>	<p>Today is Nation Christmas Jumper Day. This day helps to raise money for a very worthy cause.</p> <p>We would love you to design an Ox Close Christmas Jumper. What things would you include on it? What colours could you use?</p> <p>You will find a template for you to complete uploaded on to the virtual classroom. You could also draw your own if you would like.</p>

### **Where can I complete further work?**

[Twinkl](#) – Subscription service used by schools is offering a free premium service for teachers, parents and children to use whilst schools are closed. Enter the code **UKTWINKLHELPS** for access to worksheets, PowerPoints and interactive games to support all areas of learning.

[Classroom Secrets](#) – Free Maths, Reading and Grammar home learning packs and interactive resources for all ages.

[BBC Bitesize Primary](#) – Free learning resources available for KS1 and KS2 across all subjects.
