

English

Write a letter to your new class teacher.

- What are you looking forward to next year?
- What might they like to know about you?
- Are there any questions you would like to ask?
- Is there anything you would like to tell her about your Summer?

An extra challenge...

Try to perform one **random act of kindness** each day or week or week.

- How does it make you feel?
- How do you think it makes other people feel?

What could you do?

Suggestions:

Share, tidy your room, clear the table, make your bed, say thank you!

Something yummy for your tummy!

With the help of an adult, could you try a new food you haven't tried before? What have you tried? Did you like it?

You might even try a little bit of cooking.

Computing

<https://code.org/learn>

Use the link above to find many free games to develop your basic programming skills.

PE

Create your own sport/ obstacle course.

- What are the rules of your game?
- Who can join in?
- What will you need to play it?
- How will it be scored?
- How do you win / score?
- Do you need a special uniform?

Maths

Don't forget you can log onto Times Table Rockstars and continue to collect points throughout the Summer!

Geography

Create a map of your house or garden. Pick a mystery object to be the treasure. Can you use your map to help a family member to navigate and find your treasure? Don't forget your key vocabulary!

North, East, South and West.
