PSHCE Year 1	TEAM (Together Everyone Achieves More) Aim: Enable children to develop successful collaborative working skills such as good listening.		Aiming High Aim: Children will learn about having high aspirations, discuss their targets and what they are looking forward to.		Diverse Britain Aim: To help children identify that they belong to a community and groups and how they can contribute positively.	
PSHCE Year 2	VIPs Aim: It enables children to identify what makes someone special in order to help them identify the special people in their lives. It aims to teach child the importance of cooperation and how they show this.		Think Positive Aim: Children explore different emotions (both positive and negative) and how to manage them in order to make good choices.		Respecting Rights Aim: To enable children to explore the concept of difference and fairness and encourages them to reflect on how we should behave towards those who are different from us.	
RSE Year 1	Be Yourself Aim: Enable children to recognise their personal qualities and appreciate their individuality.		It's My Body Aim: Children to explore choices they can make to look after their bodies. This includes learning about personal hygiene and keeping clean.		Money Matters Aim: Encourage children to think about where money comes from and how it can be used.	
RSE Year 2	Growing Up Aim: Introduce children to how they grow and change emotionally and physically amongst different types of families.		Safety First Aim: Children will learn about people who can help them to stay safe and how the Underwear rule helps them to recognise what is private.		One World Aim: Encourage children to compare their family home, life and school with those from around the world and respect differences.
